

Happy Birthdays Unlimited

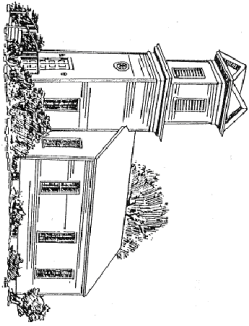

Dear Parents and Families:

Looking for a special way to say "I love you" to your Grinnell College student?

Happy Birthdays Unlimited is here to assist you by making home-baked cakes, brownies, and cookies for birthdays or other special occasions.

About HBU: Happy Birthdays Unlimited is a group of families from St. Paul's Episcopal Church who bake for students who are away from home. Since 1952, we have baked and delivered homemade treats to Grinnell College students. You can order items from the enclosed list, and we will prepare them any time during the academic year. *We will custom bake cakes from your recipes.* Send baked goods to celebrate birthdays, Valentine's Day, or to provide a note of cheer. Order our Brownie Care Packages to send mid-semester goodies to your student.

We can make vegan, gluten-free, and sugar-free cakes. We can make any recipe without nuts, but we cannot guarantee a 100% nut-free facility. Please contact our coordinator if you have questions or special requests.

Message from the Rector

We hope your student has a wonderful time at Grinnell and we are glad to have this homemade baked-goods ministry to help you give them treats and support during their studies. If there is ever anything else St. Paul's can do to support your student, please do not hesitate to be in touch. It would be a gift to us. Thank you, and peace be with you.

The Rev. Wendy Abrahamson, Rector

About St. Paul's: St. Paul's Episcopal Church is a parish of about 40 families, worshipping in a restored 1871 church situated across from the Grinnell College campus. In addition to baking, we support students through ministry and social events.

The bakers are people like yourselves who want to extend friendship while raising money for church and community projects. We appreciate your order and encourage you to visit us when in Grinnell.
